EUSTACE

USER CONSULTATION 2016

EUSTACE has received funding from the European Union's Horizon 2020 Programme for Research and Innovation, under Grant Agreement no 640171

USER ENGAGEMENT WITH EUSTACE

EUSTACE products will be made for wide range of users: researchers, policy makers, health, agriculture, etc.

User engagement needed **from the start** to assure usability/salience

Activities in which users can be engaged and/or informed:

- User workshops (Second EGU April 19)
- As trail blazers
- Dissemination on the progress and products through web site
- Guidance on use of products

EUSTACE will have been successful when the products are used.
